Good Morning Amy,

My name is Christina Motilall and I am working with Jose Gayoso on the Spanish Labeling pilot program here at the EPA. I am writing to coordinate a time for a conference call to give an

update on the Spanish Labeling Pilot program. What times are good for you?

We are also contacting Jeannie Economos of the Farmworker Association of Florida and Virginia Ruiz of Farmworker Justice. Do you have suggestions of who else we should invite?

I look forward to hearing from you. Have a great day.

Sincerely,
Christina Motilall
